* Indicates Monday Night Football

★ Please be aware that as part of the National Football League's agreement with NBC to televise Sunday Night Football, the NFL has implemented a flexible schedule for Sunday start times for the final eight weeks of the season.

This will allow the NFL to bring more attractive match-ups to a national audience late in the season. If any of the 49ers games are moved from the original start time, fans will be notified 12 days prior to the date of the game with the exception of a Week 17 game, where the notification will be six days to ensure a Sunday Night game with playoff implications. Starting time changes will be publicized on 49ers.com and through the local print, electronic and internet media.
